STATEMENT OF FAITH

I AGREE THAT:

1. There is one true God, eternally existing in three persons -- Father, Son and Holy Spirit each of whom possesses equally all the attributes of Deity and the characteristics of personality.
2. The Bible is God's written revelation and it is uniquely, verbally, and fully-inspired by the Holy Spirit and that it was written without error (inerrant) in the original manuscripts. It is the supreme and final authority in all matters in which it speaks.
3. Jesus Christ is God, the living Word, who became flesh through His miraculous conception by the Holy Spirit and His virgin birth. Hence, He is perfect Deity and true humanity united in one person forever.
4. Jesus Christ lived a sinless life and voluntarily atoned for the sins of men by dying on the cross as their substitute, thus satisfying divine justice and accomplishing salvation for all who trust in Him alone.
5. Jesus Christ rose from the dead in the same body, though glorified, in which He lived and died.
6. Jesus Christ ascended bodily into heaven and sat down at the right hand of God the Father, where He, the only mediator between God and man, continually makes intercession for His own.
7. Man was originally created in the image of God. He sinned by disobeying God; thus, he was alienated from his Creator. That historical fall brought all mankind under divine condemnation.
8. Man's nature is corrupted, and he is thus totally unable to please God. Every man is in need of regeneration and renewal by the Holy Spirit.
9. The salvation of man is wholly a work of God's free grace and is not the work, in whole or in part, of human works or goodness or religious ceremony. God imputes His righteousness to those who put their faith in Christ alone for their salvation, and thereby justifies them in His sight.

MEDICAL QUESTIONNAIRE

PLEASE READ CAREFULLY

We do our best to make these trips as comfortable as possible. However, Walking on Water Mission Trips may be extremely strenuous and stressful. They may include long train or bus rides of 10 to 20 hours in duration. Travelers are almost always required to carry their own luggage. Rest rooms are not always readily accessible. The food can be high in fat, carbohydrate and sodium content. Fruits and vegetables may not be available. The housing and meeting rooms may not have air conditioning or adequate heating. There can be a considerable amount of walking between locations in addition to climbing many flights of stairs. During the winter months, walking may be on snow-covered or ice-covered walkways and stairs. Conditions in much of the world can be **very** hot and this might affect your overall strength and energy. The air quality is poor in many locations. Each trip varies. Please speak with the team leader if you have any concerns about your suitability for a particular trip.

Any of these factors could aggravate certain health conditions and the medical facilities in many countries where we travel are limited. We reserve the right to request a medical release statement from your physician.

1. Do you have any existing medical condition(s) that may require extended medical treatment or surgery in the future? Have you had any knee or back problems?
2. Have you had any surgery or major health problems in the past 2 years? If so, please explain.
3. Have you ever experienced any psychological or emotional conditions? (ie: eating disorders, bipolar disorder, depression, etc.) No Yes (If yes, please explain and indicate if you are currently being treated by a physician) I would prefer a phone call to discuss this answer.

If you did not list any conditions in questions 1–3, please skip to question 5.

4. In your opinion, would any of the conditions listed above limit your ability to perform the ministry for which you have applied? Yes No Have you discussed this trip with your physician? Yes No
5. Are you currently taking or do you regularly take any medications? If so, please list the drug name(s), what each drug treats, and note which are prescription and non-prescription.
6. Do you have any special dietary needs? If so, please explain.
7. Do you snore or have any sleep disorders? (This is to help us determine your room assignment and will be kept confidential. If you are not able to have a roommate due to your snoring, you may be required to pay extra for a private room if needed.)

8. Please briefly summarize your health. Do you place any limits on yourself to avoid physical or medical problems? (Any hearing, vision, mobility limitations?)

I understand that the Mission Trip Reference forms I will be using contain questions requesting personal information about me including, but not limited to, medial, health, emotional and psychological information. I consent to Walking on Water requesting such information and by signing this form, consent to Walking on Water's use and disclosure of my health information for purposes of evaluating my participation in a Walking on Water Mission Trip. The information I have included in this Medical Questionnaire is complete and truthful. I understand that Walking on Water may refuse my participation in a Missions Trip based on the information I have included, or if I failed to disclose or falsified information on this Medical Questionnaire.
